

# JOB ANNOUNCEMENT

## HISTOTECHNOLOGIST

**PhenoPath Laboratories**, a pathology reference laboratory, is accepting applications in the clinical immunohistochemistry division for Histotechnologists. We are in a state-of-the-art facility located on the scenic Ship Canal in the eclectic Fremont neighborhood of Seattle, WA.

### **JOB DESCRIPTION:**

Responsibilities may include performing immunohistochemistry, immunofluorescence, molecular testing on patient samples and tissue sectioning (paraffin and frozen). Participation in the development of new tests or technologies, as well as participation in clinical research projects are also included. Quality control, safety, and preventive maintenance procedures and documentation are required elements of this position as well.

### **REQUIRED SKILLS/EXPERIENCE:**

Certified (or certification-eligible) Histotechnologists are encouraged to apply. PhenoPath Laboratories is committed to hiring highly qualified Histotechnologists.

**PhenoPath Laboratories** is a national specialty pathology laboratory with several pathologists and technologists committed to providing outstanding clinical and research services. We offer an excellent compensation and benefits package, including 401k.

**TO APPLY, PLEASE E-MAIL OR FAX COMPLETED APPLICATION FOR EMPLOYMENT AND RESUME TO:**
