

JOB ANNOUNCEMENT

MEDICAL TECHNOLOGIST

PhenoPath Laboratories, a pathology reference laboratory, is accepting applications in the clinical immunohistochemistry division for Medical Technologists. We are in a state-of-the-art facility located on the scenic Ship Canal in the eclectic Fremont neighborhood of Seattle, WA.

JOB DESCRIPTION:

Responsibilities include performing immunohistochemistry, immunofluorescence, and molecular testing on patient samples. Participation in the development of new tests or technologies, as well as participation in clinical research projects are also included. Quality control, safety, and preventive maintenance procedures and documentation are required elements of this position as well.

REQUIRED SKILLS/EXPERIENCE:

Certified (or certification-eligible) Medical Technologists are encouraged to apply. PhenoPath Laboratories is committed to hiring highly qualified Medical Technologists.

PhenoPath Laboratories is a national specialty pathology laboratory with several pathologists and technologists committed to providing outstanding clinical and research services. We offer an excellent compensation and benefits package, including 401k.

TO APPLY, PLEASE E-MAIL OR FAX COMPLETED APPLICATION FOR EMPLOYMENT AND RESUME TO:
